Music and Lyrics by Josh Warshawsky

Arr. Debra Winter

Oh, here goes, — re-a-dy or not, — here I come.

— You can't hide, you can't run. — It's been too — late — for far too long.

— Ah. — Ah. —

— Ah. — Ah. —

His mes-sage was short but the jour-ney was — so long. —

He said go east, I went west, now I'm sing-ing this song. The end is a giv-en, no

choice but to play your part. — You hope in the end to es-

cape with your head and your heart. Waves — crash down on
