אלו פיננו מלא שירה פים. ולשונונו רנה פהמון גליו.  
 ואין אנחנו מספיקים להודות לך ה' אלקינו,  
 ולברך את שמך על אחת מאלף אלפי אלפים  
 לך לבדך אנחנו מודים:

Were our mouths filled with song as waters fill the sea,  
 and were our tongues to shout with joy like the crashing of the waves,  
 we still would not be able to adequately thank You, God,  
 and praise Your name,  
 for the thousands upon thousands of things [You do for us every day].  
 To You, alone, do we offer our gratitude.
